Linelist for Residents

A linelist will help you see at a glance who in the facility is affected and which areas of the facility are affected. You can keep one list for the entire facility or separate lists for each unit or other division relevant to you facility - whatever will be most helpful to you.

Name	Age	Sex	Room number or unit	Onset Date	Recovery Date	Nausea	Vomiting	Diarrhea	Abdominal cramps	Fever	Chills	Hospitalized	Lab Results
