 - Once in the parking lot drop-off area, proceed in a single file line to designated drop-off/pick-up area line.
 - Pull forward to the end of drop-off area.
 - Students should exit to the sidewalk/curbside and not into traffic.
 - All students should proceed to designated area.
 - Children should not walk through the parking lot, unless with an adult and should walk on marked crosswalk.

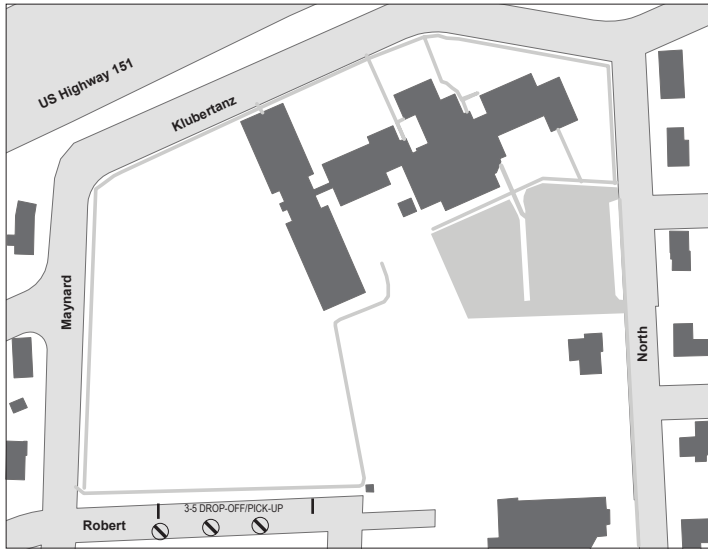

- Do not park or leave your vehicle unattended in the drop-off/pick-up lane.
- If you need to enter the building, park in the main parking lot, enter through front of the building and enter main office.
- There are three designated 15-minute limited parking spaces in the parking lot (front of school) for those that have to walk in with their child.
