

Madison Dane County Violence Prevention Coalition: Data Breakout Session

Coalition Meeting
October 12, 2021

Data. . .

- Understand the magnitude of the problem and who is most impacted by violence in what specific locations
 - Adverse childhood experiences (AECs)
 - Child Abuse and neglect
 - Domestic violence
 - Sexual abuse
 - Youth violence
 - Firearm injuries
- Provide data to inform action

Data

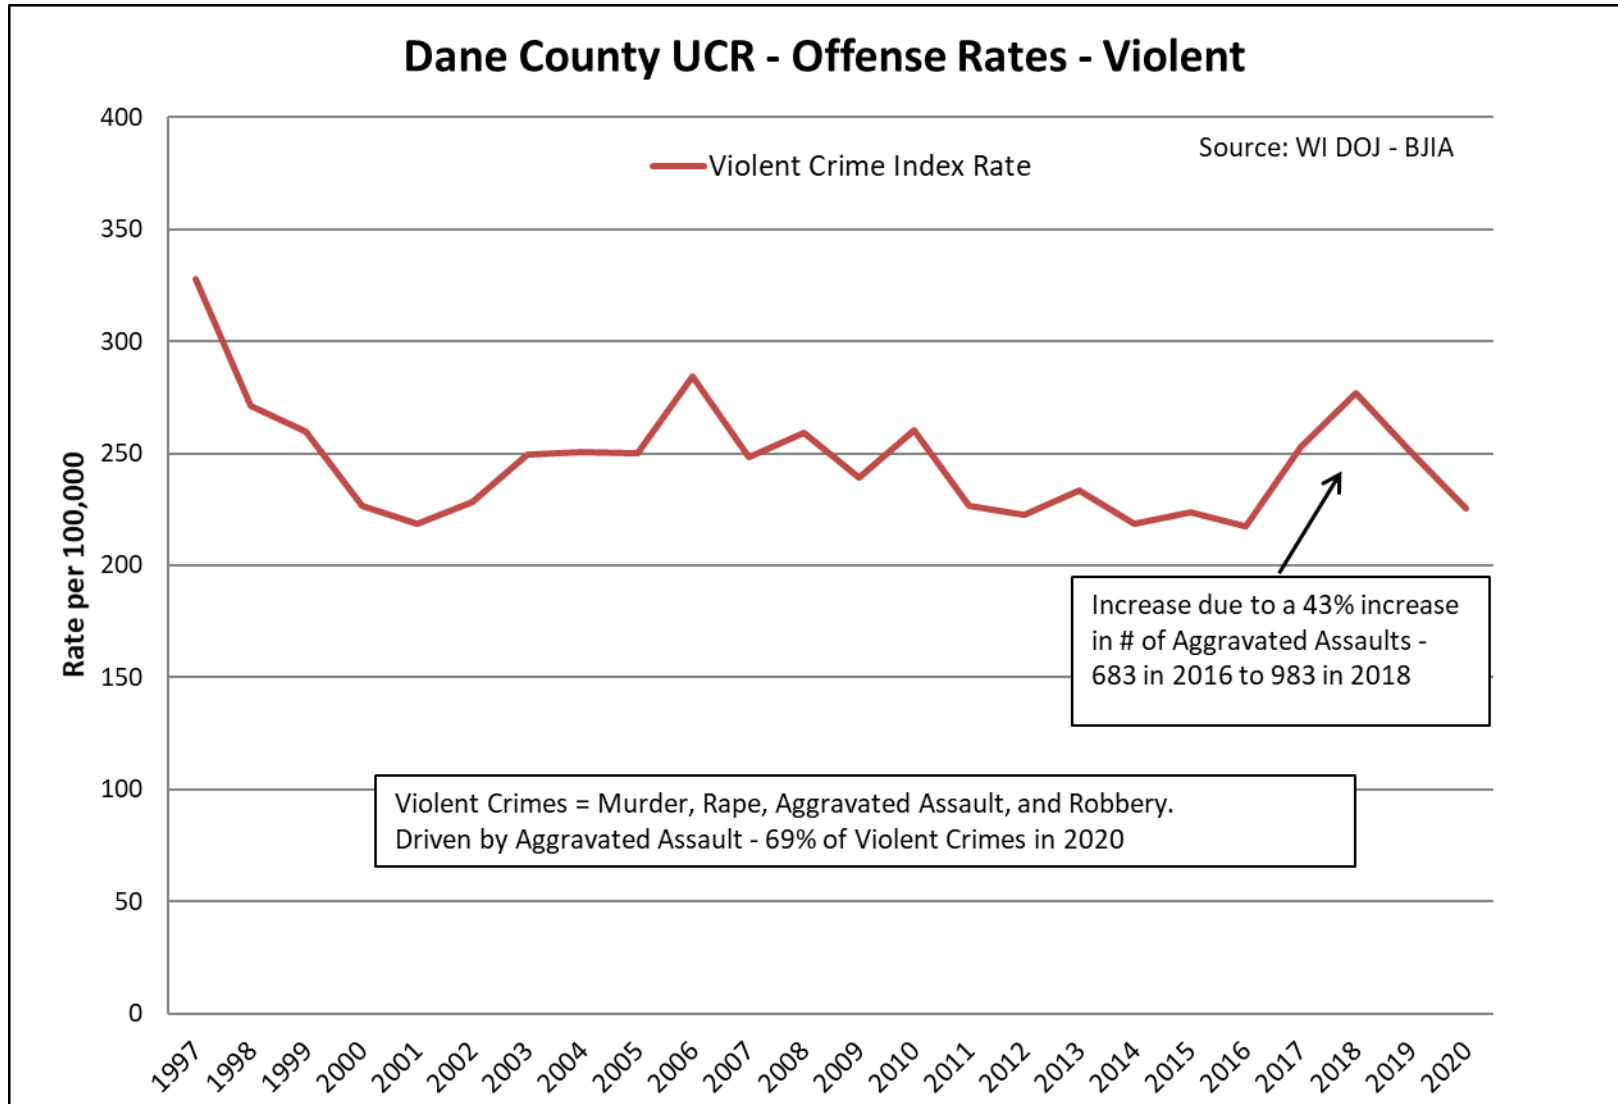

- Madison Police Department
 - Arrests and citations in Madison
- Dane County Human Services
 - Youth involvement in the criminal justice system
- Dane County Emergency Management
 - Calls for services to 911
- Dane County Criminal Justice Council
 - Adult involvement in the criminal justice system
- Wisconsin Department of Justice
 - Violent Crimes including domestic abuse and sexual assault

Opportunities and Barriers

- The current analyses rely on reported data from administrative agencies which underestimates incidents not reported to law enforcement officials
- Data collection practices are often not uniform across the multiple jurisdictions
- Overcoming bureaucratic hurdles with sharing data across multiple systems

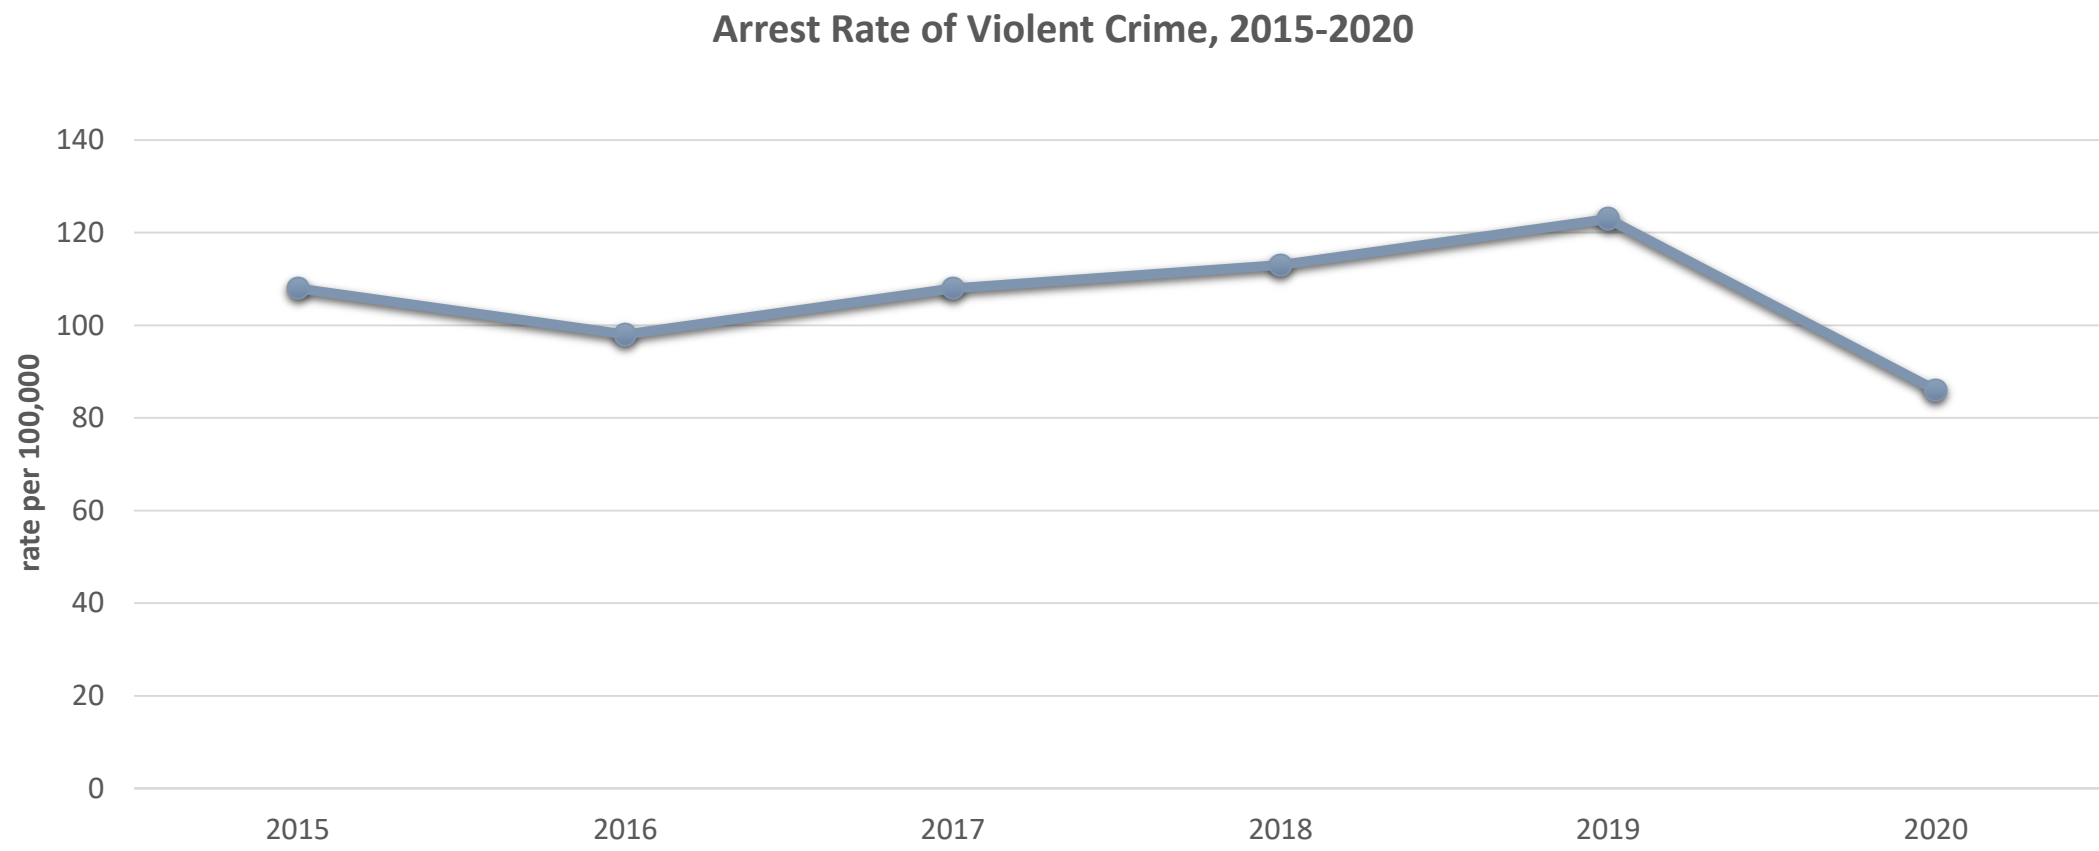

Where do we want to go from here?

- Use timely, comprehensive data to prioritize and implement prevention efforts
- Create data dashboard that highlights the patterns of violence
- Enhance and strengthen data about gun ownership, safety, and use

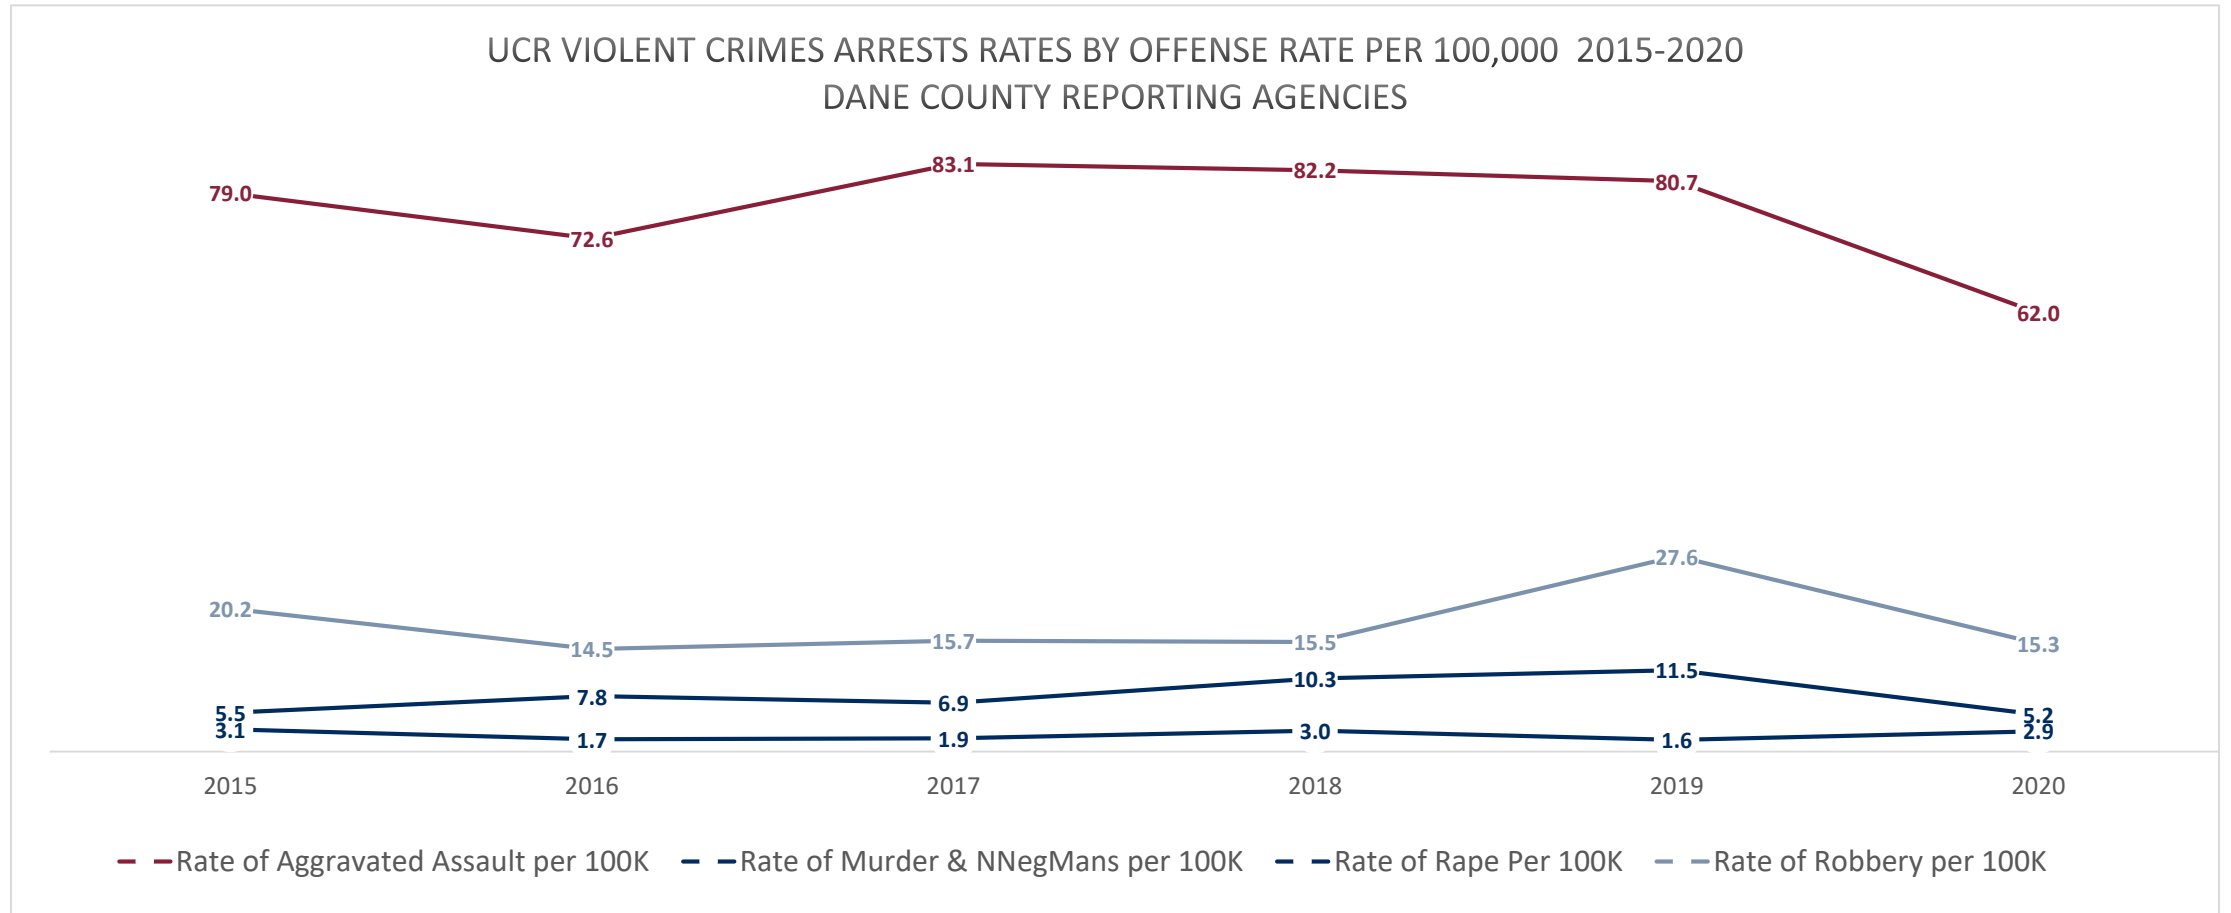

*Offenses are not specific to juveniles or adults and may or may not result in arrests
